

Dear Parents and Guardians,

We would like to remind you that we have a new system and process to enter campus. Starting October 7th all visitors (vendors, parents, construction workers, delivery personnel) entering campus will need to scan the QR code at the front gate. Once you scan the QR code, you will be prompted to enter all the necessary information to register. Once you have entered your information, a sticker badge will be printed out for you. You will need to wear this sticker badge while you are on campus.

Our Elementary students completed MAP testing. This week concludes the Fall MAP testing window. Well done ISW students! Thank you, parents, for supporting our students during the Fall MAP test window.

Congratulations to our ECC/Elementary Students of the Month and Elementary Readers of the Month for the month of September. Congratulations students!
